GRTC Transit System Service Alert

Richmond, VA (January 29, 2010) – In the event of the predicted inclement weather, on Saturday, January 30, 2010, GRTC Transit System will continue to operate all routes on the weekend schedule. However, there may be delays. Thank you for your patience.

GRTC Specialized Transportation will operate reduced service by providing dialysis and medical trips only on Saturday, January 30, 2010. Please call 782-2273 for additional information.

GRTC Transit System is the primary mass transit carrier in the Richmond region. GRTC is a non-profit public service corporation that was created by the City of Richmond and Chesterfield County and incorporated on April 12, 1973. GRTC operates an active fleet made up of 176 transit vehicles, 60 CARE vans and 21 C-VAN vans. The geographic region GRTC operates in

consists of 41 routes and over 9 million passenger rides. RideFinders, the ride share component of the transit system, provides assistance to 869 car pools and 39 van pools.
