

## Pardon Our Dust!

Construction is underway on GRTC Pulse, a new bus rapid transit system serving RVA from Rocketts Landing to Willow Lawn. GRTC Pulse will link the public to many exciting destinations, businesses, services and restaurants!

Permitted work hours are 7 a.m. to 5 p.m., Monday to Saturday. Overnight lane closures may be permitted if unforeseen field conditions arise. If this occurs, we'll let you know as soon as possible. All schedules are weather and progress-dependent.

### What's Happening Now?

**Utility relocation.** This started August 16 and should be complete by November 5.

- **Where:** South side of Broad St., between Thompson St. and Laurel St.
- **Impacts:** Temporary closures of curb lanes and street parking, as well as adjacent sidewalks and bus stops in work zones.

### What's Next?

**Sign installation.** Crews will install traffic signs on the sidewalks along eastbound and westbound Broad Street, from Thompson St. eastward. The signs will direct the traveling public through work zones during station construction. This should occur the week of October 31. Impacts include temporary curb lane closures.

### Preliminary station construction.

- **When:** estimated to begin week of October 31
- **Where:** North side of Broad St., westbound between Allison St. and Strawberry St.
- **Impacts:** Temporary closure of the curb lane and street parking, as well as adjacent sidewalk in the work zone.

Once work is complete in this location, work will move to the median of Broad Street, starting at Thompson Street and moving eastward.

- **When:** estimated to begin mid-November
- **Impacts:** Temporary closure of the inside lanes (eastbound and westbound Broad St.), as well as temporary loss of street parking in work zones

**Open For Business!** We're committed to ensuring access to businesses, services and organizations whose entrances are located along the sidewalk.

**Stay Safe Out There!**

- Watch for orange cones, barrels, barriers and fencing – they are for your protection.
- No Parking signs are posted in areas 48 hours in advance of planned construction activity, and they are removed once work has been completed in these areas.
- Whether you're walking, biking or driving...watch for signs and work crews.

**Questions? We want to hear from you!**
