

## **East End BRT Connections - Feedback**

Your feedback is requested to determine the best proposed routing option that can provide improved connections from East End Neighborhoods to the BRT.

Do the proposed routes provide improved connections from East End Neighborhoods to the BRT?

Please explain why you chose each option. If you have recommendations for ideal stop locations along the route please list them.

Route Proposal	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree	Neutral	Why
Route 52 Extension								
Shuttle Option 1								
Shuttle Option 1A								
Shuttle Option 2								
Shuttle Option 2A								
Shuttle Option 3								
Shuttle Option 3A								
Circulator 1								
Circulator 2								
Circulator 3								

Overall, do the proposed options address the concern of BRT connection points in the East End.									
Additional Comments or Concerns.
