GRTC PULSE | PROJECT DESCRIPTION

GRTC Pulse is a modern, high quality, high capacity bus rapid transit system connecting riders to destinations in the City of Richmond and Henrico County.

- Frequency: 10 minutes on-peak, 15 minutes off-peak
- Off-board fare collection
- Modern bus rapid transit vehicles
- 14 station locations: 5 median, 9 curbside
- 3.2 miles of dedicated bus-only lanes
- Transit-signal priority
GRTC PULSE | PROJECT UPDATE
• A Legacy of 125 Years as the Premier Transportation Contractor
• Ranked as the No. 1 Highway Contractor by Engineering News Record
• 1,200+ yearly contracts
• Owned by Salini Impregilo, a worldwide leader in the water sector, together with metro, railway, and tunneling
• Recently completed the Crystal City - Potomac Yard Transitway Project, a bus rapid transit system in the City of Alexandria
Lane has successfully participated in over 70 design-build projects worth more than $4.5 billion in the last decade.

Among notable design-build projects:

- $2 billion Purple Line transit system in Maryland – Lane is part of a joint venture team
- I-95 Express Lanes from Alexandria to Stafford, Va. – Lane was part of a joint venture
- I-495 Express Lanes from Springfield, Va., interchange to just north of Dulles Toll Road
- $336 million I-395 Express Lanes Extension project in Arlington County – Lane won this earlier this year – adding to Lane’s design-build work in Virginia.

**Permitted Work Hours:**
- Daytime 7 a.m. to 5 p.m.
- Nighttime 6 p.m. to 6 a.m.
GRTC PULSE | PROJECT UPDATE

Roadway Work
Traffic Signal Work

• Signal intersections, from Willow Lawn to Rocketts Landing
• Modifications and improvements to allow Transit Signal Priority
• 46 of 53 intersections completed
• Permitted work hours day and night
• Impacts:
  – Noise possible, depending on proximity
  – Temporary street closures and detours (night only)
Sewer and Water Line Relocation

- Relocation of sewer and water mains
- Completed:
  - ✓ Allison West
  - ✓ Staples Mill East
  - ✓ Willow Lawn
- Currently: Arts District West
- Next Up: Arts District East
GRTC PULSE PROJECT UPDATE

Water Line Relocation: Arts District West
GRTC PULSE PROJECT UPDATE

Median Station Construction Impacts:

• Permanent closure of median and inside lanes, eastbound and westbound, from Hamilton to 1st St.
• Lane shifts:
  • Tilden St. to Sheppard St.
  • Terminal Pl. to Robinson St.
  • Strawberry St. to Allison St.
  • Hancock St. to Goshen St.
• **Temporary No Parking** where construction occurs
• **Noise** possible, depending on proximity.
Median Station Construction:

- Currently building stations at Cleveland East and West, Science Museum East and West, Allison East, VCU & VUU East and West
Cleveland Street East & West

Maintenance of Traffic:

- Intersections closed at Cleveland St. and Altamont St.
- Left-turns allowed from Broad St. onto:
  - Sheppard Street (EB & WB)
  - Roseneath Road (EB & WB)
  - Thompson Street (WB)
  - Tilden Street (WB)
- Right-turns allowed onto Broad St. from Altamont St. and Cleveland St.

Construction: What’s Next?

- Traffic Signal Work continuing
- Roadway Work continuing
- Waterline Relocation continuing
- Station Construction continuing –
  - Allison West
  - Arts District East / West
  - Convention Center East / West
  - VCU Hospital East / West
  - Main Street Station East / West
  - Shockoe Bottom West
SAFETY is our primary goal to protect everyone!

- Please respect all work crews
- Slow down and watch for signs
- Avoid cell phone use in work zones
- Orange cones, barrels and fencing installed to guide you around our work zones
- This is for your protection – and for our workers
GRTC PULSE | PROJECT UPDATE

SAFETY is our primary goal to protect everyone!

Don’t:
Open For Business!

- We’re committed to minimizing impacts to businesses, services and destinations.
  - Access to businesses, if located along the sidewalk, will be maintained at all times
  - Parking and sidewalk access will be fully restored once work has moved through
We are committed to keeping you engaged and informed. RVA citizens are among our most important stakeholders!
