## **New Freedom Projects**

**Senior Connections Capital Area Ride Connection:** Funding to maintain and expand the Mobility Management Program a one stop resource for referring clients with disabilities and low income to a network of both public and private providers for medical and non-medical transportation services.

The capital component of the grant will fund the day-to-day operation of a one-stop call center that disseminates and coordinates transportation information, assist making trips plans and matching ride request to the most appropriate and cost effective service provider.

The operating component of the grant will fund transportation providers for non-emergency medical trips that are requested and authorized by Senior Connections. A small amount of the funds is used to purchase fare tickets for those that lack the funds to pay.

<b>Approved Funding</b>	
New Freedom Funds	\$507,700
Required Match	\$281,780
Total Project	\$789,480
