

# Attention Customers!

## GRTC SERVICE ALERT Saturday, November 10, 2018 Until 6PM

Every year, [the Anthem Richmond Marathon, a special event](#), closes roads and GRTC implements many detours. On Saturday, November 10<sup>th</sup> through approximately 6PM, most GRTC routes will operate on detours with delays, including the Pulse.

On the Pulse, *half of our stations will be closed* along with the road closure on Broad St. We will be able to operate the Pulse on parts of the route, but please prepare for significant schedule impacts. The following Pulse stations will be open: Willow Lawn, Staples Mill, VCU Medical Center, Main Street Station, Shockoe Bottom, East Riverfront, and Rocketts Landing. Pulse buses will use the Downtown Expressway to bypass the road closures and connect the East and West ends of the Pulse route. We expect Broad St. will reopen by 6PM, and we will resume regular Pulse service at that time.

The rest of GRTC's Saturday routes operating in the vicinity of Downtown will go to the Temporary Transfer Plaza on detour to ensure customers can make connections between routes despite road closures. Please expect significant schedule impacts on all our routes [during the Marathon](#).

Those wishing to [watch the start of the races](#) can ride the Pulse to the VCU Medical Center station. The starting lines are just blocks away at Broad and 8<sup>th</sup>, Broad and 7<sup>th</sup>, and Grace and 5<sup>th</sup> Streets.
