**How to read Route Schedules**

1. Find the schedule for the day and direction you wish to travel.
2. Timepoints in the schedule match locations on the map. Find timepoints near the start and end of your trip; your nearest bus stop may be between timepoints.
3. Read down the columns to see when trips serve each timepoint. Read across to see when each trip arrives at other timepoints.

Times shown are approximate. Traffic and weather may cause actual times to vary. Please allow ample time to complete your trip.
