

GRTC Transit System

Board Discussion Item

Meeting Date: February 18, 2020

Item Title: Route 111 – Route 1/ Falling Creek/Tyler

BACKGROUND:

Route 111 – Route 1/Falling Creek/ Tyler will travel 7.6 miles from the City of Richmond/Chesterfield northern border to John Tyler Community College. The route will operate from Monday through Saturday, with a frequency of every 30 minutes. The span of service is 6am until 7pm.

CURRENT STATUS:

The new Route 111 is set to begin operation on Monday, March 16th. GRTC will be installing Route 111 bus stops in the beginning of March. GRTC continues to work with Chesterfield County to coordinate infrastructure improvements along the route. Chesterfield is working to get approval from VDOT for eight landing pads. Once the landing pads have been constructed, GRTC will install four shelters, four benches and eight trash cans.
