ADDENDUM TO CONTRACTUAL TERMS AND CONDITIONS
FEDERALLY ASSISTED SUPPLY OR SERVICE CONTRACT

The Contractor clauses and provisions of this Exhibit apply to all Federally assisted supply and service contracts. These provisions supersede and take precedence over any other clause or provision contained within this contract which may be in conflict therewith.

1. EQUAL EMPLOYMENT OPPORTUNITY

This clause applies to all contracts, except contracts for standard commercial supplies or raw materials and construction. During the performance of this contract, the Contractor agrees as follows:

- (a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, creed, sex, disability, age or national origin.
- (b) The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, sex, disability, age, or national origin. This shall include, but not be limited to: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- (c) The Contractor shall include the provisions of paragraphs (a) and (b) of this clause in every Subcontract or purchase order except for standard commercial supplies or raw materials and construction.

2. DISADVANTAGED BUSINESS ENTERPRISE (DBE)

- (a) It is the policy of GRTC and the Department of Transportation that Disadvantaged Business Enterprises (DBEs) as defined in 49 C.F.R. Part 26 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this Contract. Consequently, the DBE requirements of 49 C.F.R. Part 26 applies to this Contract.
- (b) The Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The requirements of 49 C.F.R. Part 26, and GRTC's DOT approved Disadvantaged Business Enterprise (DBE) program are incorporated in this Contract by reference. Failure by the Contractor to carry out these requirements is a material breach of the Contract, which may result in the termination of this Contract or such other remedy, as GRTC deems appropriate.

3. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT – OVERTIME COMPENSATION

- (a) Overtime Requirements. No Contractor or Subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborers or mechanics in any workweek in which the individual is employed on such work to work in excess for forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half (1-1/2) times the basic rate of pay for all hours worked in excess of forty (40) hours in such workweek.
- (b) Violation, Liability for Unpaid Wages, Liquidated Damages. In the event of any violation of the provisions set forth in paragraph (a) above, the Contractor and any Subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States (in the

case of work done under the Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the provisions set forth in paragraph (a) above, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty (40) hours without payment of the overtime wages required by the provisions set forth in paragraph (a) above.

- (c) **Withholding for Unpaid and Liquidated Damages.** GRTC shall upon GRTC's own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or Subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the provisions set forth in paragraph (b) of this clause.
- (d) **Payroll and Basic Records.**
 - (1) The Contractor or Subcontractor shall maintain payroll records during the course of Contract work and shall preserve them for a period of three (3) years from the completion of the Contract for all laborers and mechanics working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classification, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Nothing in this paragraph shall require the duplication of records required to be maintained for construction work by Department of Labor regulations at 209 C.F.R. 5.5(a)(3) implementing the Davis-Bacon Act.
 - (2) The records to be maintained under paragraph (d)(1) of this clause shall be made available by the Contractor or Subcontractor for inspection, copying, or transcription by authorized representatives of GRTC or the Department of Labor. The Contractor or Subcontractor shall permit such representatives to interview employees during working hours on the job.
- (e) **Subcontracts.** The Contractor or Subcontractor shall insert in any Subcontracts the provisions set forth in paragraphs (a) through (d) above, and also a provision requiring the Subcontractors to include these clauses in any lower tier Subcontracts. The Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the provisions set forth in paragraphs (a) through (d) above.

4. TITLE VI CIVIL RIGHTS ACT OF 1964

During the performance of this Contract, the Contractor for itself, its assignees and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

- (a) **Compliance with Regulations.** The Contractor shall comply with the Regulations relative to nondiscrimination in Federally assisted programs of the Department of Transportation (hereinafter referred to as "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations)), which are herein incorporated by reference and made a part of this Contract.
- (b) **Nondiscrimination.** The Contractor, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of Subcontractors, including procurement of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the Contract covers a program set forth in Appendix B of the Regulations.
- (c) **Solicitations for Subcontracts, Including Procurement of Materials and Equipment.** In all solicitations either by competitive bidding or negotiation made by the Contractor for work to be performed under a Subcontract, including procurements of materials or leases of equipment, each potential Subcontractor or supplier shall be notified by the Contractor of the Contractor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, religion, color, sex, age, or national origin.

- (d) Information and Reports. The Contractor shall provide all information and reports required by the Regulations or directive issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by GRTC or the Federal Transit Administration (FTA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information is required or a Contractor is in the exclusive possession of another who fails or refuses to furnish this information, the Contractor shall so certify to GRTC, or FTA, as appropriate, and shall set forth what efforts it has made to obtain the information.
- (e) Sanctions for Noncompliance. In the event of the Contractor's noncompliance with the nondiscrimination provisions of this Contract, GRTC shall impose such Contract sanctions as it or the FTA may determine to be appropriate, including, but not limited to:
 - (1) withholding of payments to the Contractor under the Contract until the Contractor complies; and/or
 - (2) cancellation, termination, or suspension of the Contract, in whole or in part.
- (f) Incorporation of Provisions. The Contractor shall include the provisions of paragraph (1) through (f) above in every Subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Contractor shall take such action with respect to any Subcontract or procurement as GRTC or FTA may direct as a means of enforcing such revisions including sanctions for noncompliance: provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or supplier as a result of such direction, the Contractor may request GRTC, and, in addition, the United States to enter into such litigation to protect the interests of GRTC and the United States.

- (a) Applicability to Contracts: The Transit Employee Protective Provisions apply to each contract for transit operations performed by employees of a Contractor recognized by FTA to be a transit operator. (Because transit operations involve many activities apart from directly driving or operating transit vehicles, FTA determines which activities constitute transit "operations" for purposes of this clause.)
- (b) Flow Down: These provisions are applicable to all contracts and Subcontracts at every tier.
- (c) Transit Employee Protective Provisions
 - (1) The Contractor agrees to comply with applicable transit employee protective requirements as follows:
 - (i) General Transit Employee Protective Requirements - To the extent that FTA determines that transit operations are involved, the Contractor agrees to carry out the transit operations work on the underlying Contract in compliance with terms and conditions determined by the U.S. Secretary of Labor to be fair and equitable to protect the interests of employees employed under this Contract and to meet the employee protective requirements of 49 U.S.C. A 5333(b), and U.S.

DOL guidelines at 29 C.F.R. Part 215, and any amendments thereto. These terms and conditions are identified in the letter of certification from the U.S. DOL to FTA applicable to the FTA Recipient's project from which Federal assistance is provided to support work on the underlying Contract. The Contractor agrees to carry out that work in compliance with the conditions stated in that U.S. DOL letter. The requirements of this subsection (1), however, do not apply to any contract financed with Federal assistance provided by FTA either for projects for elderly individuals and individuals with disabilities authorized by 49 U.S.C. § 5310(a)(2), or for projects for nonurbanized areas authorized by 49 U.S.C. § 5311. Alternate provisions for those projects are set forth in subsections (b) and (c) of this clause.

- (ii) Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5310(a)(2) for Elderly Individuals and Individuals with Disabilities - If the contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5310(a)(2), and if the U.S. Secretary of Transportation has determined or determines in the future that the employee protective requirements of 49 U.S.C. § 5333(b) are necessary or appropriate for the state and the public body subrecipient for which work is performed on the underlying Contract, the Contractor agrees to carry out the Project in compliance with the terms and conditions determined by the U.S. Secretary of Labor to meet the requirements of 49 U.S.C. § 5333(b), U.S. DOL guidelines at 29 C.F.R. Part 215, and any amendments thereto. These terms and conditions are identified in the U.S. DOL's letter of certification to FTA, the date of which is set forth Grant Agreement or Cooperative Agreement with the state. The Contractor agrees to perform transit operations in connection with the underlying Contract in compliance with the conditions stated in that U.S. DOL letter.
- (iii) Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5311 in Non-urbanized Areas - If the contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5311, the Contractor agrees to comply with the terms and conditions of the Special Warranty for the Nonurbanized Area Program agreed to by the U.S. Secretaries of Transportation and Labor, dated May 31, 1979, and the procedures implemented by U.S. DOL or any revision thereto.
