- (b) In the event GRTC terminates this Contract in whole or in part as provided in subparagraph (a) of this paragraph, GRTC may procure, upon such terms and in such manner as GRTC may deem appropriate, supplies or services similar to those so terminated, and the Contractor shall be liable to GRTC for any excess costs for such similar supplies or services; provided, that the Contractor shall continue the performance of this Contract to the extent, if any, it has not been terminated under the provisions of this subparagraph.
- (c) Except with respect to the defaults of Subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not restricted to Force Majeure Events; provided, however, in every case the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor and if such default arises out of causes beyond the control of both the Contractor and Subcontractor and without the fault or negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or Services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.
- (d) If this Contract is terminated as provided in subparagraph (a), GRTC, in addition to any other rights provided in this subparagraph, may require the Contractor to transfer title and deliver to GRTC in the manner and to the extent directed by GRTC any Manufacturing Materials as the Contractor has specifically produced or specifically acquired for the performance of such part of this Contract as has been terminated; and the Contractor shall, upon direction of GRTC, protect and preserve property in possession of the Contractor in which GRTC has an interest. Payment for completed Manufacturing Materials delivered to and accepted by GRTC shall be at the Contract price. GRTC may withhold from amounts otherwise due the Contractor for such completed Manufacturing Materials such sum as GRTC determines to be necessary to protect GRTC against loss because of outstanding liens or claims of former lien holders.
- (e) If, after notice of termination of this Contract under the provisions of this paragraph, it is determined by GRTC that the Contractor was not in default or that the default was excusable under the provisions of this paragraph, the rights and obligations of the parties shall be those provided in the paragraph entitled "Termination for Convenience" contained in this Exhibit E.
- (f) The rights and remedies of GRTC provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

19. TERMINATION FOR CONVENIENCE

- (a) GRTC may, whenever the interests of GRTC so require, terminate this Contract, in whole or in part, for the convenience of GRTC. GRTC shall give written notice of the termination to the Contractor specifying the part of the Contract terminated and when termination becomes effective.

- (b) The Contractor shall incur no further obligations in connection with the terminated orders, and, on the date set forth in the notice of termination, the Contractor will stop providing Services to the extent specified. The Contractor also shall terminate outstanding orders and subcontracts as they relate to the terminated order. The Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated orders. GRTC may direct the Contractor to assign the Contractor's right, title, and interest under terminated orders or Subcontracts to GRTC. The Contractor must still complete any orders not terminated by the notice of termination and may incur such obligations as are necessary to do so.
- (c) GRTC may require the Contractor to transfer title and deliver to GRTC in the manner and to the extent directed by GRTC: (1) any completed supplies; and (2) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "Manufacturing Materials") as the Contractor has specifically produced or specially acquired for the performance of the terminated part of this Contract. The Contractor shall, upon direction of GRTC, protect and preserve property in the possession of the Contractor in which GRTC has an interest. If GRTC does not exercise this right, the Contractor shall use its best efforts to sell such supplies and Manufacturing Materials.
- (d) GRTC shall pay the Contractor the following amounts:
- 1) Contract prices for supplies accepted under the Contract;
 - 2) costs incurred in preparing to perform and performing the terminated portion of the Services plus a fair and reasonable profit on such portion of the Services (such profit shall not include anticipatory profit or consequential damages), less amounts paid or to be paid for accepted supplies; provided, however, that if it appears that the Contractor would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included, and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
 - 3) costs of settling and paying claims arising out of the termination of subcontracts (these costs must not include costs paid in accordance with subparagraph (2) of this paragraph); and
 - 4) the reasonable settlement costs of the Contractor and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination and settlement of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract.
 - 5) The total sum to be paid the Contractor under this paragraph shall not exceed the total Contract Sum plus the reasonable settlement costs of the Contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and Manufacturing Materials under this paragraph, and the contract price of orders not terminated.

20. CONTRACTOR CERTIFICATION

The Contractor certifies that the fees in this Contract have been arrived at independently without consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such fees with any other firm or with any competitor.

21. INTELLECTUAL PROPERTY; DATA PRIVACY PROVISIONS

- (a) Unless otherwise specified in Exhibit A to the Contract, the Deliverables and Intellectual Property Rights therein shall be owned by the Contractor. The Contractor hereby irrevocably and forever waives, and agrees never to assert, any moral rights or other rights of restraint or attribution in or to the Deliverables that the Contractor may now have, or which may accrue to the Contractor's benefit under U.S. or foreign copyright laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted.
- (c) To the extent that any Intellectual Property Rights owned by a third-party are embodied, contained, reserved or reflected in the Deliverables, the Contractor shall either:
 - 1) grant to GRTC the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such pre-existing rights and any derivative works thereof in connection with the sale, offering for sale, marketing, advertising, and promotion of GRTC's goods and services, and in all forms of media, media channels and/or publicity that may now exist or hereafter be created or developed, including but not limited to television, radio, print, Internet, and social media (e.g., Facebook, Twitter, YouTube, etc.) and authorize others to do any or all of the foregoing, on behalf of or for GRTC; or

Part 219, including the review of the testing process.
- (b) **Prior to the performance of any work under the Contract by any Part 219 employees on or after June 12, 2017**, the Contractor shall furnish GRTC, and cause each Subcontractor that provides Part 219 employees to perform work under the Contract to furnish

- (c) Upon notice to the Contractor, GRTC may require the Contractor and any Subcontractor providing Part 219 employees to use a third-party compliance provider to track the Contractor's Part 219 compliance. If the Contractor or any of its Subcontractors fails to utilize such required compliance provider or an approved equivalent as required, then GRTC may suspend the Contractor's performance under this Contract and/or pursue default remedies under this Contract. GRTC reserves the right to change the required third-party compliance provider upon notice to the Contractor. In the event that GRTC requires the Contractor to use a third-party compliance service, any costs of the required service will be reimbursed by GRTC provided the Contractor follows the following reimbursement procedure: the Contractor shall provide the estimated costs of the compliance service within fourteen (14) calendar days following GRTC's notice to the Contractor of the adoption of a third-party compliance provider requirement and the Contractor shall not incur any costs until a subsequent Contract modification is fully executed.
- (d) The Contractor shall provide GRTC with a list of the names of any Subcontractors performing Part 219 Services, along with a certified list of the employees assigned by the Subcontractor to perform work under the Contract, at least ten (10) calendar days prior to the time a Subcontractor or its Part 219 employees enters the work site. - (e) The Contractor shall include the substance of subparagraph (a)-(e) of this paragraph, in each applicable Subcontract under this Contract.

- (f) If GRTC discovers that the Contractor or any of its subcontractors are not in compliance with the requirements of 49 C.F.R. Part 219, GRTC may suspend the Contractor's performance under this Contract and/or pursue default remedies under this Contract.

54. WAIVER OF LIENS

To the maximum extent permitted by law, Contractor waives, and shall require its suppliers and subcontractors of any tier to waive, all liens and claims, and the right to file and enforce or otherwise assert any liens and claims, against GRTC's facilities or any other GRTC property (real or personal) in connection with the Goods delivered and Services performed hereunder.

55. ADDITIONAL SERVICES

- a) In addition, from time to time during the Term, GRTC may, but is not obligated to, request that Contractor provide services in addition to the Services set forth on Attachment A, but of the same general type as the Services, or provide Services at a facility leased or owned by GRTC but not listed on Attachment A (collectively called "Additional Services"). When GRTC desires Contractor to perform Additional Services, it shall issue a written "Service Order" to Contractor.
- b) Upon receipt of a Service Order, Contractor shall promptly prepare a response to such Service Order, indicating the commercial terms and conditions under which Contractor would perform such Additional Services ("Contractor's Offer"). Contractor's Offer shall become a part of this Agreement and Contractor shall be obligated to perform the services described in Contractor's Offer when Contractor receives written acceptance of Contractor's Offer from GRTC. Contractor shall not, however, begin performance unless the acceptance of Contractor's Offer is delivered by GRTC. Once accepted, Additional Services shall be deemed Services hereunder.

56. FORCE MAJEURE

- a) Events of Force Majeure. Neither GRTC nor Contractor shall be liable for its failure to perform or for any delay in performance of its obligations hereunder to the extent that such performance is delayed or prevented by circumstances beyond its reasonable control, without its fault or negligence and that despite its reasonable efforts is unable to overcome (a "Force Majeure Event"). Either party's right to be excused pursuant to the preceding sentence shall be conditioned upon the party experiencing the Force Majeure Event providing prompt written notice to the other party of the occurrence of the Force Majeure Event. This written notification shall give a full and complete explanation of the Force Majeure Event and its cause, the status of the Force Majeure Event, and the actions the party is taking and proposes to take to overcome the Force Majeure Event. Subject to the foregoing conditions, events that may constitute Force Majeure Events include, but are not limited to, acts of God; unusually severe weather conditions; war; riots; requirements, actions or failures to act on the part of governmental authorities; inability despite due diligence to obtain required licenses, permits or approvals; fire; damage to or breakdown of necessary facilities; or unusual transportation delays or acci-

dents. Strikes and other labor difficulties are not Force Majeure Events. The party experiencing the Force Majeure Event shall exercise due diligence to overcome any Force Majeure Event.

- b) **Force Majeure Procedure.** The party experiencing the Force Majeure shall exercise due diligence in endeavoring to overcome and mitigate any resulting delay in, or prevention of, its performance. If Contractor is experiencing the Force Majeure, it shall, in addition to the above actions, implement any applicable contingency plan. The party experiencing the Force Majeure shall also give prompt written notification to the other party, which notice shall include a full and complete explanation of the Force Majeure and its cause, the status of the Force Majeure, and the actions such party is taking and proposes to take to overcome and mitigate any resulting delay in, or prevention of, its performance.
- c) **Termination for Extended Force Majeure.** If Contractor's ability to perform hereunder is delayed or prevented, in whole or in part, for a period of 14 consecutive days as a result of an event of Force Majeure, GRTC shall have the right, at its sole option, to terminate this Agreement, in whole or in part, by giving written notice of termination to Contractor. Such termination shall be effective no earlier than 10 days after Contractor's receipt of such notice and without regard to whether the event of Force Majeure ends prior to the date on which the termination becomes effective.

57. **WARRANTIES**

- a) **Warranties.** Contractor warrants that it has experience and expertise in performing services of the type required herein and that the Services performed hereunder shall (a) be performed in strict accordance with all conditions and requirements herein, (b) be performed in strict accordance with all applicable laws and regulations, (c) be performed in a diligent and workmanlike manner by qualified and skilled personnel appropriately supervised and (d) reflect the highest level of care, skill, knowledge and judgment required or reasonably expected of providers of comparable services.
- b) **Remedies.** If GRTC discovers that any Services either prior to or after acceptance by GRTC performed by Contractor fail to conform to the above warranties, then Contractor shall, at GRTC's option and at no cost to GRTC, promptly correct or re-perform such non-conforming Services so that they conform to the above warranties. The re-performed Services shall be subject to the same warranties as the original Services. Without limiting the generality of the preceding sentence, Contractor shall provide all labor, engineering, supervision, equipment, tools and materials necessary to remedy the non-conformity and shall bear all expenses in connection therewith. Contractor shall perform its remedial obligations hereunder in a timely manner consistent with GRTC's reasonable requirements. If Contractor fails or is unable to do so, GRTC may remedy the nonconforming Services and Contractor shall reimburse GRTC for any remedial costs and expenses (including GRTC internal costs) GRTC may incur.
