

RFP-237-24-10

RFP-Description: Transit Bus Driver Training Simulator

Question 1: Does GRTC want a total of 12 hardcopies (1 original, 5 copies for each volume), or would a total of 4 hardcopies suffice (1 original and 1 copy for each volume). Would it be possible to submit these volumes electronically

Answer 1: GRTC only needs (1) one hard copy of volume 1 and (1) one hard copy of volume 2 and (1) one thumb drive that included both volume 1 & 2. This change will come in the form of an Amendment. Unfortunately, the bids **cannot** be sent electronically.

Question 2: Are there any e-waste requirements that must be accounted for when disposing of the existing simulator?

Answer 2: Yes, we would require the company disposing of the simulator follow and be in compliance with normal e-waste requirements. We need to make sure that the award-winning company will be responsible for disposing of the simulator. That company needs to be up to date and familiar with e-waste requirements.

Question 3: Is the Certificate of Insurance to be submitted with the proposal? If so, what are the insurance requirements? A question was asked during the Pre-proposal meeting June 13, 2024, with the comment that an amendment would be issued to reflect the Insurance requirements.

Answer 3: No Certificate of Insurance is needed.

Question 4: Can GRTC identify 1 or 2 specific areas within its operating area that they would like to have optionally priced for consideration towards a geo-specific database

Answer 4: The Willow Lawn BRT Station location also the VCU/VUU East and West bound stations. Chamberlayne Ave and Brooklyn Park Blvd. Downtown Transfer Station

Question 5: What does GRTC mean by the term “character” – can you please provide an example

Answer 5: the mental and moral qualities distinctive to an individual
