

# Attention Customers!

## East Main Street Paving

***GRTC Pulse buses may detour during ongoing street paving near Shockoe Bottom and Rocketts Landing.***

*Updated 4/3/2023 @ 12:00 pm*

**WHAT:** Street paving on East Main Street near Shockoe bottom between 14<sup>th</sup> Street and Dock Street.

**WHEN:** Effective immediately until work is complete. Paving work generally takes place Monday through Friday from 9:00 am – 5:00 pm. Paving work is weather dependent. GRTC does not have information regarding the expected completion of work at this time.

**IMPACTS:** Due to limited resources for traffic control, Main Street Station, Shockoe Bottom, and East Riverfront Stations may be out of service at times as road closures restricts travel on East Main Street. Rocketts Landing Pulse station remains open in the East End. Please be advised that service may be inconsistent at Main Street Station, Shockoe Bottom, and East Riverfront in both directions as road conditions change quickly during milling and paving. Expect delays along the Pulse route due to observed detours.

Riders may call GRTC Customer Service at 804-358-4782 from 6:30 am – 7:00 pm Monday through Friday for assistance with bus tracking.

**We apologize for any inconvenience and appreciate your patience.**
